INDIAN RED CROSS SOCIETY
ANNUAL REPORT 2015-16

Indian Red Cross Society
is a National Federation
of over 700 Red Cross Branches.
Neither the Headquarters
nor the branches
are by themselves the Society.
It is their collectivity
inter-woven together
that makes up the
Indian Red Cross Society.
They inspire, encourage and initiate
at all times, all forms
of humanitarian activities
so that
human suffering
be minimized, alleviated
even prevented
.... and thus contribute to creating
a more congenial climate for peace.
