

## KEEP YOUR WORK AREA CLEAN IT IS PART OF YOUR JOB!

- IRCS NHQ Meetings

Blood Donations activities
Response to COVID-19, floods & other disasters
-Covid vaccination, Meetings & Training
-Congratulations and Celebration of Important Days
-Media Coverage

CONGRATULATIONS! We proudly present the STAR EMPLOYEE OF THE MONTH recognition to Mr. Manoj Kumar at IRCS (NHQ) for ALWAYS HAVING SUCH AN UNCLUTTERED DESK! He has been working as a Relief Coordinator for Disaster Management & FNS (Family News Service) at IRCS (NHQ). We appreciate his efforts towards maintaining the cleanliness at work station & the premises.

National Headquarters organising supplies of branded woolen blankets to preposition stocks for distribution during winters.

Regional Director of IFRC, Asia-Pacific Mr.Alexander Mathew along with Mr. Udaya Rigmi, Head of Country Cluster of IFRC & Deputy Secretary of IRCS (NHQ) Mr. NK Singh visited Faridabad district branch in Haryana to see their varied activities. Mr. Mathew appreciated volunteers work during the ongoing pandemic.

## **IRCS (NHQ) MEETINGS**

IRCS, Secretary General, Regional Director of IFRC, Asia Pacific & Head of Country Cluster called on Sh.Mansukh Mandaviya, Hon'ble Chairman of IRCS & Health & Family Welfare Minister.

### **Flood Early Warning Project**

A meeting was held on 03rd September 2021 to review the progress of the Flood Early Warning Alert Project funded by Google through IFRC. It was decided to prepare ward-level contingency plans in program states. Further, a team from NHQ & IFRC visited Assam & appraised the Hon'ble Governor of Assam about the project. Team also met with panchayat leaders & ward members to take their feedback. Panchayat leaders and volunteers informed that alerts are useful.

## From the Desk of The Secretary-General

I would like to thank all the branches for undertaking various humanitarian activities like the distribution of hygiene kits, masks, sanitizers, food items, kitchen sets, tarpaulins, mosquito nets, to the vulnerable & needy. Along with healthcare workers & essential service providers, the Indian Red Cross staff & volunteers are selflessly working day & night to safeguard communities against inevitable disasters & calamities. It's because of your efforts that IRCS is able to meet all the challenges.

For most of us, the idea of winter means cuddling under the blanket for warmth, lying in our comfort zone, and sipping coffee sitting beside the fire. But for those on the streets, with every drop in the temperatures, it's a fight for survival. There is no better gift than providing warm clothing to the needy during the winter season. Lakhs of homeless experience bitterness of winter and are at a great risk of suffering from severe illnesses. Hence, IRCS, NHQ is organizing supplies of woollen blankets with IRCS branding to preposition stocks for distribution during winters in hilly states.

We held several important meetings this month where future plans of action were designed & previous work done was reviewed. I am happy to share that this month Regional Director of IFRC, Asia Pacific, Mr. Alexander Mathew, visited the Haryana Red Cross branch & observed varied activities being undertaken by the branch and the Red Cross hospital run by the Delhi Red Cross branch. Mr. Mathew appreciated volunteers work during the pandemic.

Blood is the most essential component of the body and timely transfusion saves lacs of lives every year specially accident cases, children suffering from Blood disorders eg. Thalassemia, Sickle cell Anaemia etc. Our country needs approximately 1.45 crore units of blood every year. Hence, I urge all to donate blood as "There is a hope of life to someone in your blood donation."

I request all to continue following covid-19 protocols even after getting vaccinated. We must take another vow -Dawai Bhi, Kadaai Bhi.

Thank you, donors!

Blood donation camp was organized jointly by IRCS, Uttarakhand state branch & 23 Field Regiment, Army Dehradun. 104 units of blood were collected

# IRCS NHQ Blood Centre

# "A drop of blood can save a life! Don't waste it & donate blood."

# The Month of AUGUST 2021

Donors – 1910 Voluntary Donors in camps — 1528 Voluntary Donors in-house — 382 No. of camps— 29 Blood/Blood Components issued -2658 units

Donating Blood During COVID-19 is Safe!

**Blood Donation Camp, Telangana** 

IRCS NHQ Blood Center timings for blood donation: Monday- Saturday (except 2nd Saturday): 9 AM -7 PM 2nd Saturday, Sunday, Public Holidays: 10 AM - 6 PM Note: The NHQ Blood Center is open 24/7 for the issue of blood

Blood Donation Camp, Dehradun, Uttarakhand

Blood donation, Balod, Chhattisgarh

IRCS Andhra Pradesh to create exclusive What's app groups for each blood group. The idea is to create a What's aap group of blood donors of specific groups, having a capacity of 256 members, so one group for one blood group means 256 donors can get a message at one time during emergencies.

The IRCS, Hojai district branch in collaboration with Bharatiya Janata Party Yuva Morcha organised a blood donation camp at Hojai Geeta Ashram. Altogether 20 units of blood were collected.

# **Ganesh Chaturthi**

## World First Aid Day

On World First Aid Day, the IRCS Imphal West district branch, Manipur conducted a basic first aid program with the theme "Be a hero of school & in your community" at Imphal Oil Depot (Malom) & Thangmeiband.

Ganesh Chaturthi is a festival which is celebrated all over India to worship Lord Ganesh, is becoming more eco-friendly nowadays. Generally, Ganesh murtis are made of Plaster of Paris, are immersed in water after Ganesh Chaturthi, which harms the water bodies. While eco-friendly idols are degradable & they won't hurt any living creatures in the water. To spare & secure our nature, the IRCS Odisha state branch goes for eco-friendly Ganesha idol. Only clay, black gram, masur dal, wheat, rice & sesame seeds were used.
