From the desk of The Secretary-General

India has now expanded its Covid Vaccination Drive to include everyone over 60 year of age & those aged between 45-59 who have co-morbidities. Several citizens across the country received Covid shots, while lakhs of others registered for inoculation on the government's Cowin platform. Remarkable how our doctors and scientists have worked in a very short time to strengthen the global fight against Covid-19. I appeal to all those who are eligible to take the vaccine. Together, let us make India COVID-19 free!

I would like to thank all the branches for undertaking various humanitarian activities like the distribution of Hygiene kits, Masks, Soap, Sanitizers, Blankets, Food items to the vulnerable and needy during the Covid-19 pandemic and other disasters. I would like to thank all the donors & volunteers for their kind and generous support, you are our real strength, and it is because of your faith in us that IRCS is able to overcome any challenges.

This month, India witnessed a wave of shock and grief when massive floods erupted after a part of the Nanda Devi glacier splintered in Uttarakhand's Chamoli district. Scores of people were evacuated from the submerged areas while a large number of laborers who were working in a power project went missing. IRCS volunteers worked day & night to provide aid to the victims & are actively participating and helping the administration, SDRF & other departments in every aspect. The NHQ provided to IRCS Uttarakhand branch all kinds of support & relief assistance to mitigate the crisis.

IRCS(NHQ) is entering into MOU's with Universities to enhance the participation of youth in Red Cross programs in Disaster Management and First-Aid training. Some of the MOU's have been signed and others are in the pipeline with Universities of the states of Himachal Pradesh and Punjab.

I also take this opportunity to welcome Mr. Nikhil Goel who has been appointed as Honorary Legal Adviser of IRCS(NHQ) and hope that our legal matters shall be dealt professionally under his guidance.
