

In this Issue:

Foreign Assistance from different countries to cope with the mounting needs caused by Covid-19

Amid unprecedented surge in the number of Covid-19 cases across India, the global community, which includes Govts of several countries, Partner National Societies, IFRC, ICRC, associations of Indians leaving abroad and People of Indian Origin (PIO), have extended a helping hand in supporting the efforts of the country in its fight against the pandemic.

Medical equipments, medicines, oxygen concentrators, ventilators, test kits, PPE kits, EHI, Food items, etc. are being continuously donated by many.

IRCS (NHQ) MEETINGS

Multiple consultative meetings with the leaders of State/UT branches together with Managing Body Members were held on a regular basis. Based on the meetings the requirements at various places were gathered in terms of quantity and items such as ambulances, mobile vans, blood collection vans, helpline services, oxygen concentrators, ventilators, medical equipment, PPE kits, and other Covid relief items

Weekly meetings on every Monday are being held in which all the activities are shared and a future course of action was discussed with IFRC & ICRC Reginal Delegation.

Virtual meetings were held with IFRC South Asia Head of Delegation Mr. Udaya Regmi where assistance for ambulance services as well as blood collection vans, equipments for blood banks, diagnostic and vaccination vans in State and UT branches were identified

ICRC has deputed their staff for logistic support and other Covid-19 response related work.

From the desk of The Secretary-General

Several states have imposed renewed COVID restrictions and vaccination has been accelerated so that more people can get Covid vaccines as soon as possible. Vaccines are the most effective means to contain the spread of coronavirus. I appeal to all those who are eligible to take the vaccine. Everyone is at risk and precautions must be ensured by following the Covid-19 protocols.

There is enormous pressure on the healthcare system. Facilities are limited and health infrastructure is stretched. Friends & family members are testing positive every day. We have lost a few of our gems to Covid. Dr. Venugopal, Hon. Chairman IRCS, Visakhapatnam, Shri Suresh Kumar Srivastava, Chairman and Shri V.N Mathur, Honorary Treasurer both from IRCS, U.P State Branch their services would never be forgotten. May the noble souls rest in peace.

It is a very difficult time, emotionally & mentally, and it will take some time before it gets better. In this period of uncertainty and unpredictability, the Red Cross staff, and volunteers across the country have been on the frontlines to save the lives of people affected by the unprecedented pandemic. They are delivering the most vulnerable with ambulance services, access to medical care, food parcels, vaccine and other relief.

The situation became critical with the landfall of cyclone YAAS & TAUKATE affecting millions of people in coastal regions of India. IRCS emergency response teams worked alongside the authorities to evacuate people most at-risk in coastal areas, providing first aid, masks & relief items such as tarpaulins for shelter, kitchen sets, hygiene kits & buckets for safe drinking water, etc. & encouraging other critical COVID-19 prevention measures.

We are thankful to all Domestic & International Donors including National Governments and individuals for their generous support during these critical times.

"Give blood, give life."

"It takes 15 minutes to save a life - Donate Blood."

WELCOMES YOU IN

Thank you, donors!

Blood Donation Camp-Dehradun,Uttarakhand

trict. Just after the cy-clone due to the tireless effort of Red Cross food packets were distibuted at Mirzapur, Chandipur of Chandipur of Balasore Sadar and Sadar and villages of

Balasore Sa also some villages of Soro Block in presence BDO Narendra Khamari and BDO Soro S.K. Naik. Red Cross Staff Mr. Manas

Ranjan Swain, Lilapunyatirtha Swain, Akshay Das coordi-nated the relief operation. YRC coordinator Balasore Sudhir Muduli, JRC District Secretary Ashok Kumar Nayak, YRC C o o r d i n a t o r Mayurbhanj and other YRC Conlunsellors and JRC Counsellors helped in relief distribution.

was decided in the meeting that all the District RedCross branches will keep some oxygen stock with them, which will be bought with the emergency management grant provided by Haryana State Red Cross. For the supply of oxygen, a portal has also been prepared by the Haryana Government with the help of Red Cross through which the needy families can apply online and needy families can apply online and get oxygen at their home. By registering first on this portal, a person will be able to apply.
